Report on Expert Session on “Entrepreneurship Development” under Audit Course.

Date: 8th October 2025 (Wednesday)

Organized By: Department of Artificial Intelligence and Data Science

In Association With: Neatleap IT Training & Solutions, Nashik

Target Audience: Final Year (BE) Students

Objective of the Session:

The primary objectives of the session were:

- To develop an understanding of the entrepreneurial mindset.
- To explore opportunities for innovation and business development.
- To gain insights from industry experts on entrepreneurship.
- To motivate students towards self-employment and start-up culture.

Event Details

- Date: 08th October 2025 (Wednesday)
- Time: 11:00 am to 01:00 pm
- Venue: 215 Lab
- Resource Person: *Mrs. Mrunal Abhishek Dahale* (Founder & Director, Neatleap IT Training & Solutions)

Session Highlights:

The session commenced with a welcome address by the faculty coordinator, who highlighted the importance of entrepreneurship in the modern technology-driven world. The resource person, Mrs. Mrunal Abhishek Dahale, was then introduced and invited to address the participants. Mrs. Dahale, an accomplished entrepreneur and industry leader, delivered an insightful and engaging talk focused on the changing landscape of entrepreneurship, particularly

in the domains of technology and innovation. She emphasized the importance of creative thinking, problem-solving, and resilience—core attributes essential for any aspiring entrepreneur.

Key Highlights of the Session

- **Understanding the Entrepreneurial Mindset:**

Mrs. Dahale explained what differentiates an entrepreneur from a traditional employee. She discussed the significance of proactive thinking, risk-taking ability, and adaptability.

- **Identifying Opportunities:**

The speaker elaborated on how students can identify gaps in the market and transform them into viable business ideas. She shared real-life examples from her own entrepreneurial journey and the development of Neatleap IT Training & Solutions.

- **Start-up Ecosystem and Trends:**

Students were introduced to the current trends shaping the start-up ecosystem, including AI-based solutions, digital services, and skill-development ventures.

- **Insights from Industry Experience:**

Mrs. Dahale provided practical advice on project planning, team building, resource management, and scaling strategies. She also addressed common challenges faced during the initial stages of a start-up.

- **Student Interaction:**

The interactive Q&A session enabled students to seek clarity on topics such as funding, idea validation, skill requirements, and career prospects in entrepreneurship. Mrs. Dahale responded with valuable guidance and motivated students to pursue their ideas confidently.

Outcome of the Event

The session was highly informative and motivating. Students gained:

- A clearer understanding of entrepreneurship and its opportunities.
- Knowledge about the essential skills required to start and sustain a business.
- Inspiration to think creatively and pursue start-up ideas.
- Direct insights from an experienced industry professional.

Conclusion

The Expert Session on “Entrepreneurship Development” proved to be a highly enriching experience for the students of the Department of Artificial Intelligence and Data Science. It successfully met its objectives by encouraging students to explore self-employment opportunities and fostering a spirit of innovation. The department expressed gratitude to Mrs. Mrunal Abhishek Dahale for sharing her expertise and motivating the students.
