

Report on Industrial visit

Date: 7th November 2023

MCA department students visited CG Power and Industrial Solutions Limited on 7th November 2023.

CG power and Industrial Solutions Limited is a well established company with strong presence in the manufacturing sector.

Total 41 students from SYMCA visited the industry. Students visited S2 relay department. During the visit students had the privileges of learning about their web server and the technologies that power it.

Following key points students learned during their visit:

1. Software tools and Technologies
2. Application developed using Node js, JSON, Spring Boot technology.
3. Introduction to SAP.
4. Introduction to relay and embedded software.

Overall the session was fruitful. It was a very good interactive session. This visit helped us to bridge the gap between academics and industry to some extent.
