To,
The Principal,
MET's BKC IOE,
Nashik.

A/C
HOD (MCA)

Subject: Workshop Approval Request - Web Development with PHP (FYMCA Students)

Respected Sir,

The MCA department proposes a workshop on Web Application Development using PHP for First Year MCA (FYMCA) students. This two-day workshop will be held on March 26th and 27th, 2024. This workshop aims to equip FYMCA students with practical skills in web development using PHP, a valuable asset in the IT industry.

We request your approval for a budget of Rs. 6,000/-. This amount will be solely used to pay Mr. Siddharth Mandwade (CEO Sunandainfotech Pvt. Ltd.) for his expertise as the workshop instructor. ⊗

We strongly believe this workshop will significantly benefit our students by enhancing their practical knowledge and career prospects.

Thanking You.

26 & 27 March 24
FOR FYMCA

Time 10 to 5.30pm.

Yours faithfully,

Manjusha V. Khond
Prof. Manjusha V. Khond
(Academic Coordinator)

P.D. Jadhav
Prof. P.D. Jadhav
(H.O.D. MCA)

Enclosure : Day Wise Schedule

Target Audience: FYMCA Students

Day 1 :	
Morning Session (10.00 to 1.00)	Afternoon Session (2.00 to 5.00)
<ul style="list-style-type: none"> • Introduction to Web Development • Understanding the web development landscape (front-end vs back-end) • Introduction to HTML, CSS & JavaScript Topic: Building the Foundation with HTML • HTML basics - structure, tags, attributes • Creating semantic HTML documents • Hands-on Practice: Building a basic web page structure with HTML 	<ul style="list-style-type: none"> • Introduction to PHP and Server-Side Scripting Understanding the role of PHP and server-side scripting • Basic PHP syntax, variables, data types, operators • Introduction to MySQL Database Understanding relational databases and MySQL basics • Creating and managing databases, tables, and data • Hands-on Practice: Setting up a local PHP development environment • Connecting to and interacting with a MySQL database (simple queries)
Day 2:	
<ul style="list-style-type: none"> • Working with Forms and User Input • Creating web forms using HTML (text fields, buttons, etc.) • Processing form data with PHP (GET & POST methods) • Validating user input to prevent security vulnerabilities • Building Dynamic Web Pages with PHP & MySQL • Interacting with the database from PHP scripts (basic CRUD operations - Create, Read, Update, Delete) • Hands-on Practice: Building a form to collect user data and process it using PHP. 	<ul style="list-style-type: none"> • Displaying dynamic content based on user input or database data • Hands-on Practice: Creating a web page that fetches and displays data from a MySQL database • Introduction to JavaScript (Optional) • Understanding the role of JavaScript in enhancing user experience • Basic JavaScript syntax, variables, control flow • Adding simple interactivity to web pages with JavaScript (e.g., form validation)

Sai Shreeji Banglow 3, Near Panchkrushna Lawns, Jatra Hotel,

NH-3, Nashik

Mobile: +91 9404688826

Objective :

To Carve a niche for myself by consistently learning from experience and environment, by contributing my best to the organization and exploiting the growth, opportunities as well as the challenges that comes my way, with almost dedication and having good knowledge on mobile domain and distributed applications programming.

Summary :

- Having 5 years and 0 month of experience in designing and developing Web /Mobile applications in Android and JSP Servlet.
- Also 2 years experience as technical assistant in SNJB COE Chandwad.
- Able to develop components and products from concept to final product, strong planning skills with the ability to conceptualize and analyze complex design.
- Excellent experience in developing Android applications using Eclipse, ADT bundle, Android Studio Manager and SDK.
- Expertise knowledge in JSP & Servlet, Core Java, PHP , Codeigniter.

Professional Experience :

- April 2017 - Till Date
Software Developer, Sunandainfotech Pvt. Ltd., Nashik.
Responsible for Developing Android Application & Web Application in JSP& Servlet.
- December 2014 - March 2017
Sr. Software Developer, Eiosys Pvt. Ltd., Mumbai.
Responsible for Developing Android Application & Web Application in JSP& Servlet.
- Aug 2011 - May 2013
Technical Assistant, SNJB COE , Chandwad.
Responsible for Handling Networking and Hardware Problems, Installation of Windows ,Linux and Suse Operating System ,LAN connection establishment .

Technical Skills :

Primary skills	: Android SDK, JSP & Sevlet.
Secondary Skills	: C#.net, PHP.
Database	: MySql, Sqlite.
Related Skills	: Database Management System, Software Engineering, UML, DFD's.

Academic Profile:

- Appear MTec (Computer Science) from NRI College, Bhopal, Rajiv Gandhi University of Bhopal.
- Completed Bachelor of Engineer in Computer Science (BE) from SES College of Engineering, Dhule, and University of North Maharashtra with 62%.
- Polytechnic Diploma from SHHJB Polytechnic, Chandwad, with 62%
- S.S.C. from Enzo-Chem High School, Yeola, with 61.40%.

Project Details :

Market Info Reports

Report

Topic : Web Application Development Workshop

Date: 26/03/24 & 27/03/24

Duration: Two days

Expert : Mr. Siddharth Mandwade (Software Developer Sunandainfotech pvt. Ltd. Nashik)

Objectives:

- Introduce students to the fundamentals of web application development.
- Provide practical training in PHP programming language.
- Teach database management using MySQL.
- Explore front-end development with HTML, CSS, and JavaScript.
- Engage students in hands-on to apply the concepts learned.

Introduction:

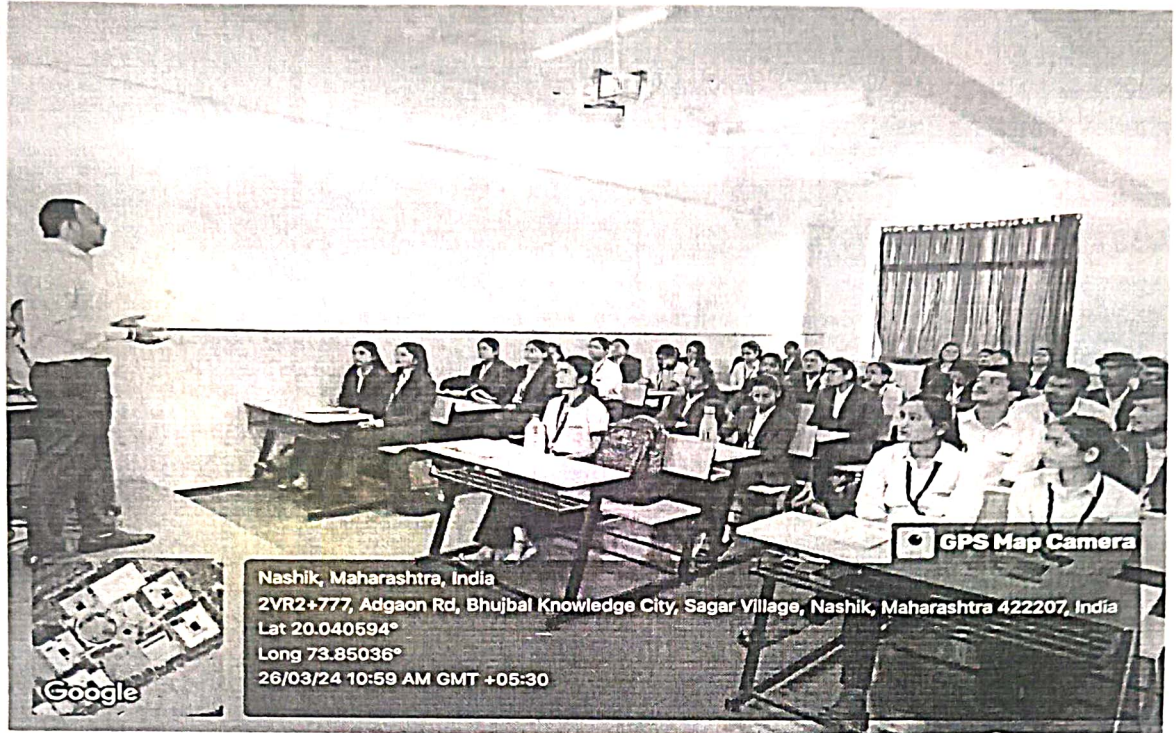

The two-day workshop on Web Application Development was organized for FYMCA (First Year Master of Computer Applications) students. The workshop aimed to provide students with practical knowledge and hands-on experience in building web applications using PHP, MySQL, HTML, CSS, and JavaScript.

Feedback:

Students provided positive feedback on the workshop content, delivery, and the opportunity for practical learning. They expressed appreciation for the instructors' guidance and the relevance of the topics covered. Suggestions for future workshops included more advanced topics and longer duration for in-depth exploration.

Acknowledgment:

We extend our gratitude to the instructors for their expertise and dedication in conducting the workshop. Special thanks to the participants for their enthusiastic participation and valuable feedback, which will aid in improving future workshops.
