INSTITUTE OF ENGINEERING

REPORT ON

"Teachers day celebration"

Venue - MET, Mechanical Engg. Dept., BKC, Nasik

Date: 05/09/2025

Brief about Event:

Teachers' Day was celebrated with great enthusiasm and respect, in the department of mechanical engineering to honor the dedication and hard work of our teachers. The day marks the birth anniversary of Dr. Sarvepalli Radhakrishnan, a great teacher and philosopher. Students expressed their gratitude through speeches, poems, songs, and dances. A short skit highlighting the importance of teachers in shaping students' lives was also performed and was appreciated by everyone. Some students took the role of teachers for the day and conducted classes, giving them a better understanding of the responsibilities of a teacher. Teachers were felicitated with greeting cards and flowers as a token of love and respect. The principal Dr.V.P. Wani sir and head of the department Dr.S.D. Kalapnde sir addressed the gathering and encouraged students to value education and respect their teachers. The program concluded with a vote of thanks and the National Anthem. The Teachers' Day celebration was joyful and memorable. It strengthened the bond between teachers and students and reminded everyone of the vital role teachers play in society.
