- NBA Accreditation for five Departments & Accreditation by NAAC.

## About Department

The Mechanical Engineering Department of Mumbai Education Trust's Bhujbal Knowledge City, Institute of Engineering was established in the year 2007, and has grown over the years into a competent department with state-of-the-art computing facilities and dedicated faculty. Having started with a four-year undergraduate program, B.E (MECH), the department also offers a Postgraduate course in CADME (Computer Aided Design and Manufacturing Engineering), and operates a recognized research center affiliated with Savitribai Phule Pune University (SPPU), Pune. The department has received accreditation from the National Board of Accreditation (NBA), which acknowledges its commitment to maintaining high academic standards and quality in education. This accreditation enhances the credibility of the department's programs and highlights its efforts in fostering creativity in learning, research, and building a robust knowledge base. The department emphasizes the vision of the Mumbai Education Trust's Bhujbal Knowledge City (MET-BKC) for excellence in education. Highly qualified, dedicated faculty and strong infrastructure facilities make this vision a reality.
