The following points were discussed in the meeting. The minutes of meeting are ---

1. Planning for Implementation of NEP.

Dr. V. P. Wani sir focused on strategizing how to integrate the National Education Policy effectively. Members discussed curriculum reforms, skill development, and innovative teaching methodologies aligned with NEP guidelines. Emphasis was placed on promoting multidisciplinary approaches, enhancing research, and fostering inclusive education. Action plans included faculty training, infrastructure upgrades, and student-centric programs to meet NEP objectives. The importance of monitoring progress and ensuring quality standards was highlighted. Overall, the meeting aimed to lay a strong foundation for successful NEP implementation, ensuring that institutions adapt to new educational paradigms and prepare students for future challenges.

2. Review of pre-qualifiers for NBA accreditation of different programs and planning for SAR for NBA.

IQAC members has taken review of pre -qualifier and discussed the current status of program approvals, identifying gaps and areas needing improvement. Attention was placed on aligning program curricula, infrastructure and faculty qualifications with NBA requirements. The committee also outlined a strategic plan for preparing the Self-Assessment Report (SAR) for NBA accreditation.

3. Planning for organizing skill development activities for students.

IQAC meeting focused on strategizing skill development activities for students. Dr. D. P. Kadam emphasized the importance of aligning activities with industry requirements and student interests. It was decided to form a dedicated committee to oversee the planning and execution of workshops, seminars, and training sessions. Collaboration with industry experts and alumni was prioritized to enhance relevance and effectiveness. The meeting also discussed resource allocation, scheduling, and promotion of activities to maximize student participation. Additionally, a timeline was established to review progress periodically.

4. Any other point for discussion with the permission of chair.

Industry representatives emphasized the importance of strong academics and implementing in-house projects for engineering students. They further suggested that interdisciplinary projects may be implemented across all the departments. This proposal is also supported by student representatives.

Vote of thanks proposed by Mr. Amit Patil and declared the meeting is over.
