**Dear Sir/Madam,**

**Greetings from MET's Institute of Engineering, Bhujbal Knowledge City, Nashik.**

With reference to our recent telephonic discussion regarding financial support through CSR initiatives for strengthening of the **AICTE IDEA Lab** at our institute.

The **AICTE IDEA Lab** at **MET's Institute of Engineering** aims to promote innovation, design thinking, applied engineering, and hands-on learning for students and faculty. Your support will significantly enhance our capacities in providing advanced skilling, rapid prototyping, and industry-oriented training.

We kindly request you to consider our proposal for financial support to the AICTE IDEA Lab. We sincerely appreciate your time, consideration, and positive response.

Thank you.

Warm regards,

Dear Sir/Madam,

Greetings from P. S. Additive Skilling Pvt. Ltd.

We appreciate your detailed proposal and the impactful work being carried out at the AICTE IDEA Lab of MET's Institute of Engineering, Bhujbal Knowledge City, Nashik. We firmly believe that initiatives promoting innovation, hands-on learning, and applied engineering create meaningful opportunities for students and the industry.

We are pleased to inform you that P. S. Additive Skilling Pvt. Ltd. is ready to extend financial support of ₹1,00,000 (Rupees One Lakh) under our CSR initiative to contribute towards strengthening the AICTE IDEA Lab.

Kindly share the required documentation, bank details, and any formal procedures needed from our side to process the donation at the earliest.

We look forward to supporting your efforts in building a stronger innovation ecosystem.

Warm regards,

P. S. Additive Skilling Pvt. Ltd.

**Sub: AICTE-IDEA Lab Offer Letter (IDEA Idealab ID – IDEA2024000215 ).**

Madam / Sir,

We are pleased to inform that your institution is selected for establishing an AICTE IDEA Lab with the following budget and fund flow.

Total Project Cost, Rs. (in lakh)	Contribution, Rs. (in lakh)								
	AICTE			Institute			Industry / Alumni / Others		
	NR	R	Total	NR	R	Total	NR	R	Total
90	20	10	30	20	10	30	20	10	30

[NR- Non-Recurring Expenditure, R- Recurring Expenditure]

AICTE shall release one-third of its contribution as the first instalment after formal acceptance of this offer by the Institute and the remaining amount (second instalment), only after the total matching grant amount (Institute Contribution) is deposited in an exclusive Bank Account of AICTE- IDEA Lab along with proof for placing Purchase order for procurement of all the Equipment's (as per Scheme document) and proof submitted to us. Further, your institution must ensure the contribution of funds by Industry/ Alumni/ Other sources as mentioned in the table above. The Institute must ensure continuous flow of funds into the project over and above the total Project cost, towards sustenance of IDEA Lab beyond 2 years and to be eligible for grants under other schemes from AICTE in future. Your Institution must adhere to the timeline for implementation of AICTE-IDEA lab project, enclosed with this offer letter.

We would also like to recall among other things the following towards smooth initiation of the project:

- Your institution must provide a built-up and furnished space of at least 3000 sq. ft. to house the IDEA Lab (2000 sq ft for Lab & 1000 sq ft for student activities).
- Your institution should open a separate bank account for this project and the same be intimated to us through the Mandate Form (enclosed). This is required for issuing Sanction Order from our end.
- Your institution must abide by Terms and Conditions provided in the Scheme Document (accessible from our website) and timeline enclosed with this letter.
- The logo of AICTE IDEA Lab can be used by the institution as long as it has a valid Extension of Approval (EoA).

We look forward to an Acceptance Letter (giving reference to this offer letter) within 10 days, as per the template enclosed. We hope that the institute will implement the prestigious project with all sincerity and commitment. This is issued with the approval of competent authority.

Dear Sir ,

Greetings from JNEVT .

Thanks for your valuable time and discussion on our yesterday meetings.

As per our discussion and approval from our management the final costing for the ANSYS project

( Simulation of Primo Chassis frame ) is **Rs. 32,500.**

The scope of work includes the following as per the given model, material and boundary conditions:

1. Meshing and application of boundary conditions
2. Simulation Results
  1. Total deformation
  2. Directional deformation
  3. Stress Analysis

Need to arrange schedule a discussion based on the analysis / Presentation.

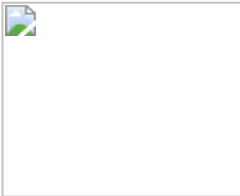

Your guideline is also expected after report to encounter the issues along with technical solution.

Sir ,

This is all regarding PRIMO based case study which is in final conclusion ..

However pl. refer our discussion we need to move forward for next project JMT ( CAE SIMULATION )

Once again thanks for your whole team for extended support .
