Sub.: - Conduct of Civil Defense Mock Drill on May 7, 2025.....

Date: - 06/05/2025

As per the instructions received from the Department of Higher and Technical Education, Government of Maharashtra, Ministry of Education, Government of India, Savitribai Phule Pune University, Pune, and the National Service Scheme (NSS), a **Civil Defence Mock Drill** is scheduled to be conducted as detailed below:

**Date:** Wednesday, May 7, 2025

**Time:** 12:15 PM onwards

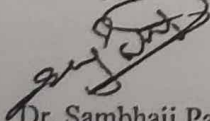

**Venue:** Main Ground, MET's Institute of Engineering, Bhujbal Knowledge City, Adgaon, Nashik - 3

All Heads of Departments are requested to take appropriate steps to ensure **voluntary participation of students** from their respective departments. It is important that the students are well-informed about the drill and its importance for safety preparedness.

Furthermore, you are requested to ensure that the **participation data and related reports** are compiled accurately and submitted promptly after the event.

Your cooperation in making this program a success is highly appreciated.

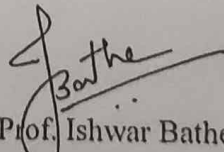

Thank you

Institute of Engineering**

**Report: Civil Defense Mock Drill on dated 7<sup>th</sup> May 2025  
Conducted through National Service Scheme (NSS) NSS Code – D-72**

As per the directives received from the Department of Higher and Technical Education, Government of Maharashtra, the Ministry of Education, Government of India, Savitribai Phule Pune University, Pune, and the National Service Scheme (NSS), a **Civil Defence Mock Drill** was successfully conducted on Wednesday, May 7, 2025 at the **Main Ground, MET's Institute of Engineering, Bhujbal Knowledge City, Adgaon, Nashik – 3.**

The drill commenced at **12:15 PM** and witnessed active and enthusiastic participation from students across various departments. In accordance with the instructions, all Heads of Departments took proactive measures to ensure that students were informed about the significance of the drill in fostering awareness and preparedness in the event of emergencies.

The objective of the drill was to simulate emergency response scenarios and equip students with practical knowledge and skills required in crisis situations such as fire, earthquake, or other civil emergencies. Professional civil defence personnel conducted live demonstrations, safety protocols, and evacuation procedures to educate attendees. Students participated voluntarily and displayed a commendable level of discipline and seriousness during the drill. The event concluded with a short interactive session, where students had the opportunity to clarify doubts and better understand civil defence mechanisms. Post-event, participation data and departmental reports were compiled systematically and submitted as instructed.

**Resource Person:**

Er. Anil Rajguru.

Er. Pappu Nikam.

Er. Sukhlal Kandekar.

Prof. Mangesh Somvanshi.

A mock drill on civil defence preparedness during hostile attacks and fire emergencies was conducted at **MET Bhujbal Knowledge City Institute of Engineering, Nashik** on **07-05-2025**, aimed at training students and staff on effective response during critical situations such as fire outbreaks etc. Organized by the NSS Unit, who conducted live demonstrations on evacuation procedures, identifying safe zones, first aid basics, and practical use of fire extinguishers, Participants were taught how to operate different types of extinguishers (CO<sub>2</sub>,

foam, and dry chemical) and practiced putting out controlled flames and safely moving injured persons to designated safe zones without causing further harm. Over 150 students, faculty, and staff participated in the exercise, which concluded with a debrief session and recommendations for strengthening campus preparedness and emergency infrastructure.

\* **Focus:** Given the context of the nationwide drill and reports specifically mentioning Nashik, the mock drill at the institute likely focused on air raid preparedness. The aim would have been to educate students and staff on how to respond to air raid sirens and the necessary precautionary measures to take

\* **Participants:** It is probable that students, faculty, and staff of the Bhujbal Knowledge City Institute of Engineering participated in the drill. Civil Defense volunteers, National Service Scheme (NSS) Volunteers.

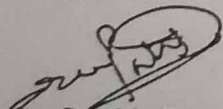

\* **Activities:** The mock drill likely involved:

- \* Sounding of a siren to simulate an air raid warning.
- \* Practicing evacuation procedures to designated safe areas within the institute.
- \* Demonstrations on how to take cover and protect oneself during an air raid.
- \* Potentially, a simulated blackout, where power was switched off in certain areas to practice response during such conditions.

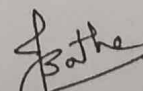

#### Activities Guided

Dr. V.P.Wani : Principal  
Prof. Yogesh R. Patni : NSS Programme Officer  
Prof. Ishwar J. Bathe : NSS Programme Officer  
Prof. Savita P.Deore : NSS Programme Officer

This mock drill served as a valuable exercise in raising awareness and building a culture of safety and preparedness among students. The cooperation and support of all departments were instrumental in making this initiative a success.
