

MET- BHUJBAL KNOWLEDGE CITY
NATIONAL SERVICE SCHEME SPECIAL WINTER CAMP 2024-25
REPORT

Place of Camp: Chandori Village, Tal. Niphad & Dist. –Nashik.

Distance from MET campus- 28 Km

Duration of camp- 13th January 2025 to 19th January 2025.

Participant Institutes-Institute of Engineering (IOE 75 Volunteers)

Institute of Engineering (IoE 75 Volunteers)

National Service Scheme (N.S.S.) is a noble experiment in academic expansion. It includes the spirit of voluntary work among the students & teacher though sustained community interaction. It brings our academic institution closer to society. It shows how to combine Knowledge & Action to achieve results which are desirable for community Development.

On 24th Sep. 1969 and on the occasion of 100th birth year of Mahatma Gandhi, the Government of India came with an innovative program for the overall development of the country with the name National Service Scheme. India is the country of villages and farmers and according to Gandhi, the past independence development of India was possible only with the development of villages and villagers or farmers. Gandhi also viewed that youth is the only and biggest mean for any kind of the development and the students from urban India should come forward for urbanization and development of rural India. The huge amount of energy which our young generation possesses can be a crucial power if directed toward the overall development of the Country. These Nobel thoughts inspired Hon. Indira Gandhi and other political leaders and they came out with the National Service Scheme in the year 1969. Since its establishment, NSS has always served in all possible manners for the development of India.

MET's Institute of Engineering decided to organize the winter special camp of the NSS at Chandori Village, Taluka-Niphad District-Nashik with various objectives like development of the villages, exposure of the village and socioeconomic problems of the rural population to the young students of

college. Awareness against Women Empowerment, Cleanliness, Hygiene, Godavari River cleanliness, personality development, tree plantation and child education etc.

All the volunteers left the MET campus on Monday 13th January 2025 and reached the place of the camp in the morning for the arrangement of the food and accommodation. The volunteers were led by Prof. Yogesh Patni and Prof. Ishwar Bathe (NSS Program officers).

Day 01: Inaugural function of the camp took place in presence of Dr. Vijaykumar Wani (Principal, MET'S Institute of Engineering), Dr. V. J. Gond (Head of the E&TC Engineering Department) in presence of Mr. Vinayak Kharat (Chandori Gram Palika Sarpanch), Mr. Raghunath Tarle, Mr. Sandip Tarle (Mazi Sarpanch) of Village. Dr. V. P. Wani and Dr. V. J. Gond guided the NSS Volunteers on the topic of Social Responsibility during college life and explained the importance of social responsibility.

As per the guidelines from the University, each working day was divided in three important sessions; the morning sessions which start early in the morning comprises of exercise followed by tea and breakfast which was followed by a session of labor work which includes exhaustive work for around 05 hours.
