REVIEW CERTIFICATE

International Journal of Chemical Synthesis and Chemical Reactions

ISSN: 2582-5917

This certificate is awarded to

Mrs.Seema Nikam (Pawar)

Assistant Professor, Chemistry Department, MET's Institute Of Engineering, Nashik

We hereby notify that the person has carried out a thorough peer-review of article entitled

Technical Insights into the Industrial Synthesis and Production of Ten Prominent Plant Growth Regulator Molecules: Process Flow and Mass Balance Determination

that has been submitted towards the respective Journal.

We heartily congratulate you for the successful review and it is our pleasure to have you on the panel of **Editorial Board** with a great expertise.

Commissioning Editor
