The State Level Quiz Competition was successfully conducted on the occasion of National Science Day on **28th February 2025**. The event aimed to promote scientific awareness, encourage curiosity, and foster a spirit of healthy competition among students. The competition was organized by the **Department of Engineering Science and Mathematics**, of MET Engineering College Nashik. The event was conducted on a **virtual platform (Google form)**, allowing participants from different Institutions to participate conveniently.

Conclusion: The State Level Quiz Competition in online mode was a grand success, with enthusiastic participation and an engaging display of scientific knowledge. The event not only enhanced students' interest in science but also provided a flexible and inclusive learning experience. The organizers expressed their gratitude to all participants, teachers, and technical support teams who contributed to making the event a memorable one.
