

**MET's Institute of Engineering
Bhujbal Knowledge City, Adgaon, Nashik
Department of First Year Engineering**

Name of the program: "First Year Induction Programme 2017-18"

Date: 1/8/2017

Time: 11am to 2pm

Day: Tuesday

Venue:

Coordinator: Dr. R. S. Dhake

Resource Person: Prof. B .R. Patil

No. of Participants: 250

Objectives of the Program:

The Induction Programme is designed to facilitate the academic, cultural and social adjustment of the first year commencing students. The programme activities are linked to the key strategic goals of the University, namely enhancing the Student Experience, developing excellence in learning and teaching, and encouraging participation of students from diverse cultural and social backgrounds..

FE coordinator Prof. V.S. Khairnar first introduced the FE course structure to students. The students were made aware of syllabus, tests, term work, practical, overall academic pattern to be followed during the first year of engineering and SPPU Exam Pattern. He also encouraged all the admitted students for study time management. And at the end he informed a detailed list of rules & regulations about discipline and Etiquettes & other official formalities. The Principal of METs IOE Prof. Dr. V.P. Wani, delivered the welcome address. In his speech, he made the students understand the value of life and the responsibilities of the student. He focused on the fact that students should start thinking on their own that will imbibe the sense of responsibility in them which will lead them towards a successful career. With holistic approach he emphasize that students should also participates in extracurricular activities along with study for overall developments. He also encouraged the students to develop leadership qualities by participating through student forum at Department levels. Lastly he wished them for great success. Chief guest Prof B.R. Patil has encouraged students and explained the ethical and moral values towards the society. He emphasizes importance of goal setting and implementation for future life
