

MET's Institute of Engineering
Bhujbal Knowledge City, Adgaon, Nashik
Department of First Year Engineering

Name of the program: Activity "Minute to Win"

Date: 11/09/2024

Day: Wednesday

Time: 2.30pm to 4.00pm

Induction Coordinator-Dr. R.S. Dhake

Venue- Sports Department

Activity Coordinator: Prof. Komal Mahekar

Resource Person: Prof. Balasaheb Sankpal

No. of Participants: 120

Objectives of the Program- The *Minute to Win* It activity was organized as part of the induction program to foster team bonding, create an engaging environment, and provide participants with a fun yet impactful ice-breaking experience.

Participants were divided into small groups/teams and engaged in a series of one-minute challenges that tested their creativity, problem-solving skills, coordination, and quick thinking. Each challenge was designed to encourage collaboration, healthy competition, and adaptability within a limited time frame.

Highlights:

- Enthusiastic participation from all attendees.
- High energy and engagement throughout the activity.
- Laughter and camaraderie as participants worked together to complete the challenges.

Outcomes:

1. Strengthened interpersonal relationships among participants.
2. Enhanced team-building and communication skills.
3. Boosted morale and created a welcoming, positive environment.

Feedback:

Participants shared positive feedback, highlighting how the activity made them feel more comfortable and connected with their peers.
