

**MET's Institute of Engineering
Bhujbal Knowledge City, Adgaon, Nashik
Department of First Year Engineering**

Name of the program: Expert Lecture on "Applications of Nanomaterials in Engineering Perspective"

Date: 17/04/2023

Time: 02:30PM - 04:30PM

Day: Monday

Venue: Seminar Hall IOT-P

Coordinator: Prof. R. D. Rajkuvar

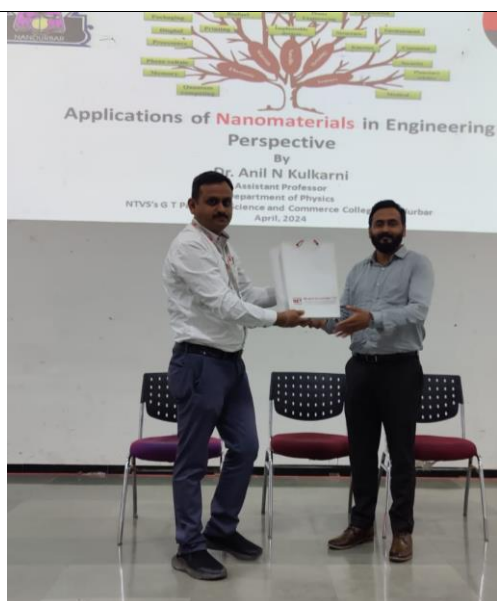

Resource Person: Dr. Anil Kulkarni

No. of Participants: 250

Objectives of the Program:

- 1) Nanotechnology can be used to design pharmaceuticals that can target specific organs or cells in the body such as cancer cells, and enhance the effectiveness of therapy.
- 2) Nanomaterials can also be added to cement, cloth and other materials to make them stronger and yet lighter.

Department of First Year Engineering has organized an expert lecture on "Applications of Nanomaterials in Engineering Perspective" on 17th April, 2023, Monday 02:30pm to 04:30pm for first year engineering students of divisions E, F, G, H and I at seminar hall of IOT-P under the first year student's forum "THE BRAINIACS". We invited the resource person for this lecture Dr. Anil Kulkarni, Assistant Professor of Department of Physics, NTVS's G. T. Patil Arts, Commerce and Science College Nandurbar. Total 250 students were present for this lecture.

**Dr. V. S. Khairnar
(FE-Coordinator)**

**Prof. R. D. Rajkuvar
(Coordinator)**

**Dr. Vijaykumar P. Wani
(Principal-IOE)**
