

MET's Institute of Engineering
Bhujbal Knowledge City, Adgaon, Nashik
Department of First Year Engineering

Name of the program: Activity "Art & Craft "

Date: 13/09/2024

Day: Tuesday

Time: 2.30pm to 4.00pm

Induction Coordinator-Dr .R.S. Dhake

Venue: Sport Department

Resource Person: Mrs.Shubhangi Bairagi(Artist and Craft Expert)

Coordinator: Dr. P.S .Raut

Objectives of the Program: The Art & Craft activity was organized to encourage creativity, enhance motor skills, and provide a fun, engaging platform for participants to explore their artistic talents. This activity allowed individuals of all ages to express themselves through hands-on crafting and artistic exploration, fostering both individual creativity and teamwork.

1. To nurture creativity and artistic expression among participants.
2. To improve focus, patience, and hand-eye coordination.
3. To promote relaxation and mental well-being through art.
4. To encourage innovation and resourcefulness by repurposing materials.

Activity was conducted by **Mrs. Shubhangi Bairagi**. she divide activity structured into different sections catering to various interests and skill levels:

Creative Crafting: Participants designed handmade items using materials like paper, fabric, beads, and recycled goods. Items included greeting cards, decorative items, and key chains.

Painting & Drawing: Attendees explored techniques such as watercolor painting, sketching, and doodling.

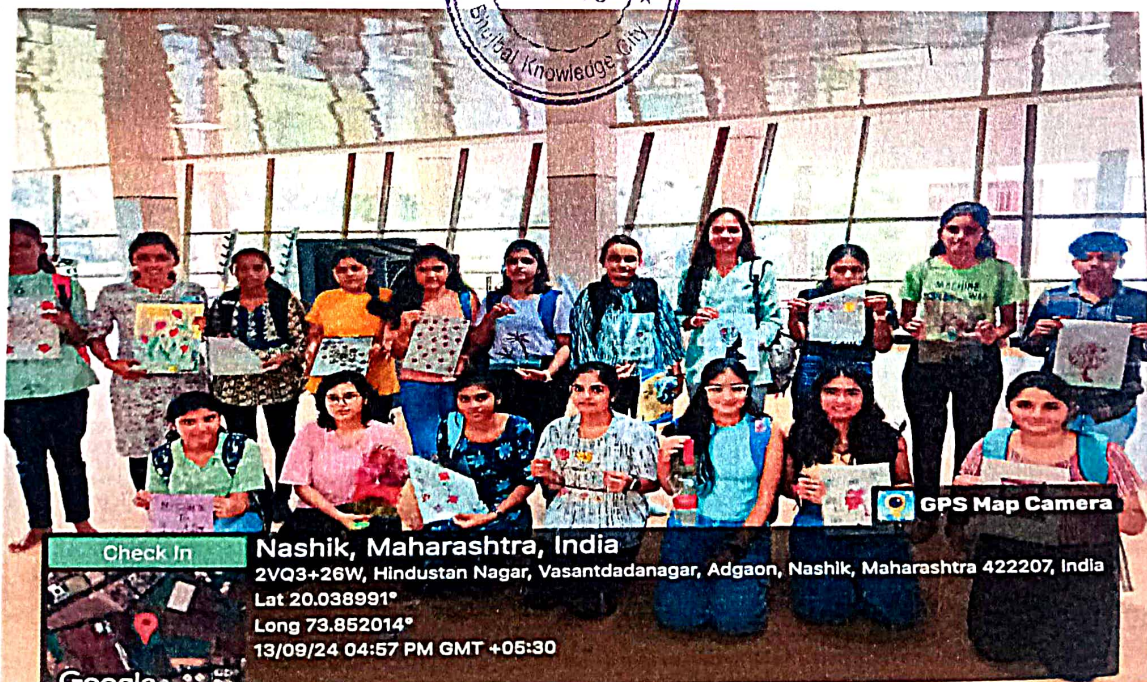

Kandil Making: To celebrate the festive spirit and promote traditional art forms, a Kandil (Lantern) Making Activity was organized. The activity aimed to encourage participants to showcase their creativity while keeping the essence of the festival alive. It also provided an opportunity to learn the art of crafting decorative lanterns, often used during festive occasions such as Diwali.

Outcome:

The Art & Craft activity successfully met its objectives, providing participants with a creative outlet and fostering a positive, engaging environment. The event highlighted the therapeutic benefits of art while encouraging resourcefulness and innovation

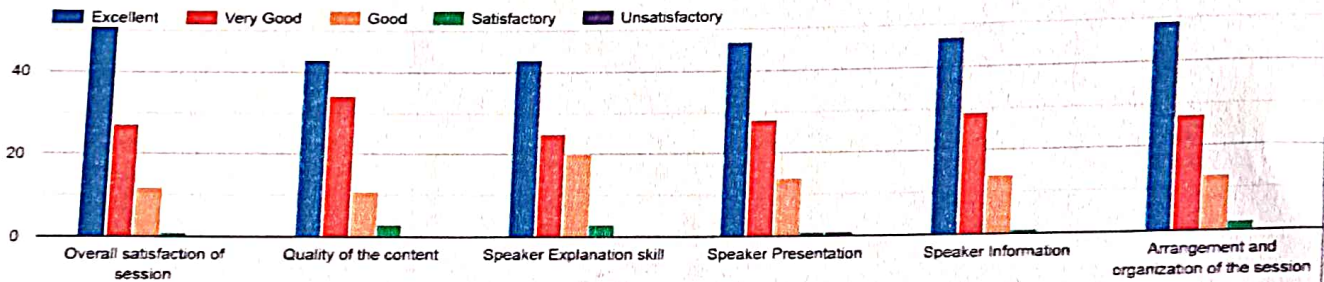

Feedback and Response:

Participants appreciated the activity for its engaging and hands-on approach. Many shared that the session was not only enjoyable but also a learning experience that deepened their connection to cultural traditions. Parents expressed gratitude for involving children in meaningful and creative activities.
