

MET's Institute of Engineering
Bhujbal Knowledge City, Adgaon, Nashik
Department of First Year Engineering

Name of the program: Expert Lecture on "Applications of Nanomaterials in Engineering Perspective"

Date: 18/04/2023

Time: 02:30PM to 04:30PM

Day: Tuesday

Venue: Class room No. 001

Coordinator: Prof. R. D. Rajkuvar

Resource Person: Dr. Anil Kulkarni

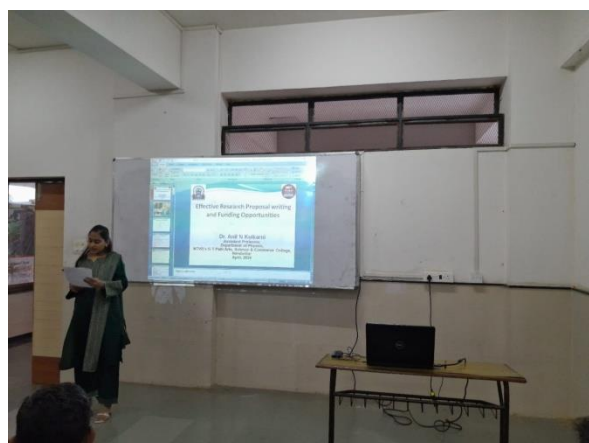

No. of Participants: 250

Objectives of the Program:

- 1) Pinout the major focus of your research.
- 2) Break down your research focus in to research objectives.

Department of First Year Engineering has organized an expert session on "Reaserch Proposal and Proposal Writing" on 18th April, 2023, Tuesday 02:30pm to 04:30pm for first year engineering staff we invited the resource person for this lecture Dr. Anil Kulkarni, Assistant Professor of Department of Physics, NTVS's G. T. Patil Arts, Commerce and Science College Nandurbar. First Year Engineering staff members were present for this lecture.

Dr. Anil N. Kulkarni presented guidelines about writing an effective proposal and highlighted some of the critical aspects of proposal writing. Afterwards a short interactive Q&A session between the resource person and the staff was carried out for 10 minutes.
