Objectives of Programme-

1. To create a friendly and inclusive atmosphere for the newly admitted students.
2. To showcase the musical talents of senior and first-year students.
3. To promote cultural appreciation and encourage participation in extracurricular activities.
4. To help students bond through shared experiences in art and music.

As part of the **Induction Program for First-Year Engineering Students**, the **METS Institute of Engineering Nashik** organized a vibrant cultural event titled "**Musical Mosaic**". The event aimed to welcome the new batch of students and provide them with an opportunity to experience the cultural spirit and creative environment of the institution. The event conducted by Music Faculty **Mr. Rohit Unawane** and **Mr. Abhinay Bagul**

The event commenced with a welcome address by **Principal and All head of the department** emphasizing the importance of balancing academics with cultural and creative growth.

The stage came alive with a variety of musical performances including **solo singing, instrumental recitals, and group medleys**. The performances featured genres ranging from **Indian classical and Bollywood hits to western and fusion music**, reflecting the diversity and enthusiasm of the student community. A highlight of the program was the **interactive musical session**, where first-year students joined in with spontaneous singing and rhythmic claps, creating a joyful and engaging atmosphere.

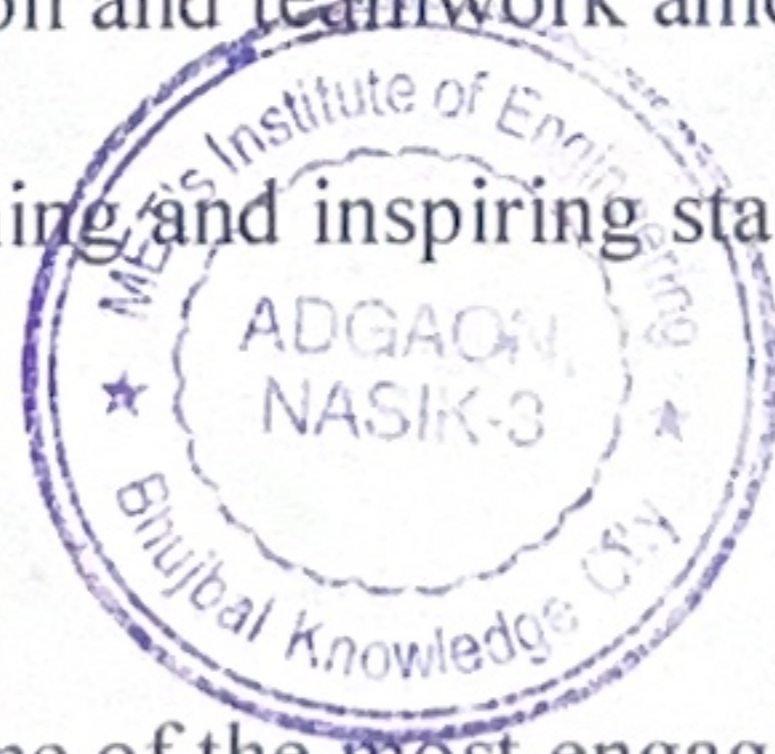

Participation and Response-The event witnessed enthusiastic participation from both senior and newly admitted students. More than **100 plus students** attended the program, and the auditorium resonated with applause and cheers throughout. The audience appreciated the talent and energy of the performers, making it a memorable part of the induction week.

Outcomes

- The event successfully helped first-year students feel welcomed and connected.
- It encouraged cultural integration and teamwork among students from different departments.
- The program provided a refreshing and inspiring start to the academic journey of the new batch.

Conclusion

The "**Musical Mosaic**" proved to be one of the most engaging and enjoyable activities of the induction program. It not only showcased the artistic talents of the students but also strengthened the sense of community within the campus. The organizing team expressed gratitude to the college management, faculty members, and student volunteers for their efforts in making the event a grand success.
