

**MET's Institute of Engineering  
Bhujbal Knowledge City, Adgaon, Nashik  
Department of First Year Engineering**

**Name of the program:** Expert Lecture "Intellectual Property Rights(IPRs) Awareness Program"

**Date:** 30<sup>th</sup> June 2022

**Time:** 12:00noon to 02:00pm

**Day:**

**Venue:** Seminar Hall IOT-P

**Coordinator:** Prof. R. D. Rajkuvar

**Resource Person:** Mr. Arpit Jain

**No. of Participants:** 253

Objectives of the Program:

- 1) To assist States in creating/developing a Strong IP ecosystem thereby, transforming it into an attractive investment destination for the Industries.
- 2) To sensitize the clusters about Intellectual Property Right and their protection.
- 3) To identify protectable innovations.
- 4) To suggest steps for transforming innovations into proprietary assets.
- 5) To use IP information, particularly relating to patents and designs, for further research and development in developing new product and process.
- 6) Utilize the IP information in their business development.

The resource person for this lecture was Mr. Arpit Jain, Examiner of Patents and Designs (Group A Gazetted), Office of Controller General of Patents Designs and Trademarks, Mumbai, Ministry of Commerce & Industry, Govt. of India.

In order to take forward the National IPR Policy and to enhance creativity, innovation, competitiveness and economic growth in India, it is imperative to harness IP. With phenomenal growth of the Indian Economy it is vital that IPRs are generated in India and then legally protected and exploited. Inadequate knowledge about the rights of individuals to protect their ideas and innovations and low awareness about the procedures involved in obtaining an IPR has hindered India's growth in Intellectual Property. With India's potential and its importance in the global arena, it's time we rise and become a leader in innovation and Intellectual Property!

The main intent of this Awareness Programme is to sensitize the Industry, R&D Organisation, Scientific Department and Educational Institutions about the growing need for promotion and protection of the intellectual assets, in the form of Patents, Designs & Trademarks and Geographical Indications, of inventors & creators from misappropriation by third party without their authorization.

Department of First Year Engineering  
in association with

National Intellectual Property Awareness  
Mission

organizes seminar on

**"Intellectual Property Rights (IPRs)  
Awareness Program"**

**For First Year Engineering Students**

**June 30, 2022, Thursday, 12:00noon to 02:00pm**

**at 10T-P Seminar Hall**

Resource Person  
**Mr. Arpit Jain**

Examiner of Patents and Designs
