FE coordinator **Dr.V.S. Khairnar** first introduced the FE course structure to students. The students were made aware of syllabus, tests, term work, practical, overall academic pattern to be followed during the first year of engineering and SPPU Exam Pattern. He also encouraged all the admitted students for study time management. And at the end he informed a detailed list of rules & regulations about discipline and Etiquettes & other official formalities.

The **Principal of METs IOE Dr. V.P. Wani**, delivered the welcome address. In his speech, he made the students understand the value of life and the responsibilities of the student. He focused on the fact that students should start thinking on their own that will imbibe the sense of responsibility in them which will lead them towards a successful career. With holistic approach he emphasize that students should also participates in extracurricular activities along with study for overall developments. He also encouraged the students to develop leadership qualities by participating through student forum at Department levels. Lastly he wished them for great success.

Chief guest for his programme was **Mr .Deepak Singhal** from H.A.L Ozar. He Addressed students and shared his thoughts related to different career opportunities. He talked about different branches of engineering. He was suggested to students that every branch had scope.He was told to do what you love, do it with amazing amount of faith, and while you're doing these things, do them as crazily as you can. And that has certainly worked for me in life. So as each one of you go out of life, go out of this college, I think it is very very important that you trust yourself. You trust yourself because you are really good.
