Induction Coordinator: Dr. R.S. Dhake & Prof.R.D.Rajkuvar

Activity Coordinator: Prof .Sneha Pekhale

Event Coordinator:

Prof. Shilpa Shinde

Prof. Diksha Ahire

Prot. Nilesh Ahire

Resource Person: Dr. Amar Panchal

No. of Participants: 120

Objectives of Session:-

1. To explore the essential non-technical skills that influence career success beyond academic achievements.
2. To highlight the importance of emotional intelligence, networking, adaptability, and continuous self-improvement in professional growth.
3. To equip participants with practical tools and strategies for career advancement.
4. To inspire participants to cultivate a growth mindset and set achievable career goals.
5. To provide a platform for participants to clarify doubts and gain personalized career guidance.

On 28th August 2025, **First Year Department of MET'S Institute of Engineering** Nashik hosted an expert lecture titled "**The Missing Link in Career Success,**" delivered by **Dr. Amar Panchal**, a seasoned career coach and industry professional. The speaker shed light on the critical factors that often go unnoticed yet significantly impact career trajectories.

The lecture emphasized:

- The significance of **emotional intelligence** in managing relationships and workplace dynamics.
- The power of **networking** in creating opportunities and career growth.
- The need for **adaptability** to thrive amid changing professional landscapes.
- The value of **continuous learning** and self-development beyond formal education.
- The importance of **setting clear goals** and maintaining persistence in pursuit of career objectives.

Participant Feedback-The session received highly positive feedback from attendees, reflecting its impact and relevance:

- **Engaging Content:** Participants appreciated the practical insights and real-world examples shared by the expert.
- **Interactive Session:** Many found the Q&A segment helpful for addressing individual career concerns.
- **Motivational Impact:** Attendees felt inspired to work on their personal development and soft skills.
- **Clarity and Delivery:** The expert's clear communication and relatable approach were praised.
- **Suggestions:** A few participants requested more follow-up workshops focusing on skill-building and resume preparation.
- **Conclusion-**The expert lecture on "**The Missing Link in Career Success**" successfully achieved its objectives by enhancing awareness about the critical personal and interpersonal skills essential for career growth. The event motivated participants to adopt a holistic approach toward their professional development.

Acknowledgments-The organizing team extends sincere thanks to **Dr. Amar Panchal** for their valuable contribution and to all participants for their active engagement. The success of this event paves the way for more such initiatives to support career readiness.
