**Objectives of Activity-**

1. **Encouraging Creativity and Self-Expression-Platform for Talents:** The talent show aims to offer a stage for participants to express their creativity, whether through music, dance, comedy, art, or other forms of performance, in a concise, one-minute time frame. **Boost Confidence:** It encourages participants to step out of their comfort zone and share their abilities, fostering confidence and self-assurance in public speaking and performing.
2. **Fostering Healthy Competition-Promote Friendly Competition:** The show promotes a spirit of friendly competition, where participants are motivated to put their best foot forward and strive for excellence, but in a positive and supportive environment. **Recognition of Talent:** It offers an opportunity for individuals to be recognized for their unique abilities, no matter how big or small, and fosters a sense of achievement.
3. **Entertaining and Engaging the Audience-Creating Entertainment:** The main objective is to entertain the audience by presenting a variety of performances, each with its own flair, energy, and creativity, keeping the event lively and engaging. **Diverse Performances:** With only one minute allotted for each performance, the show is fast-paced and dynamic, keeping the audience excited and eagerly anticipating each act.
4. **Promoting Inclusivity and Diversity-Celebrating Different Talents:** The show encourages people of all backgrounds, ages, and skill levels to participate, promoting inclusivity by allowing a wide range of performances, from music and dance to magic tricks and spoken word. **Giving Everyone a Voice:** It gives a voice to individuals who may not have traditional platforms to showcase their talents, allowing for a more diverse range of performances and styles.
5. **Building a Sense of Community-Encouraging Social Interaction:** The event brings together participants and spectators, fostering a sense of community, collaboration, and support among people with shared interests in talent and creativity. **Support and Networking:** Participants can connect with others, exchange ideas, and gain feedback from peers and the audience, creating a networking opportunity for budding performers.
6. **Time Management and Focus-Learning Time Constraints:** The one-minute format teaches participants to manage their time effectively, plan their performance concisely, and focus on delivering their best within a brief window. **Encouraging Efficiency:** Participants are challenged to be efficient and creative, making the most of the limited time available, which enhances their presentation skills.
7. **Promoting Fun and Enjoyment-Lighthearted and Fun Environment:** One of the primary objectives is to create a relaxed, fun environment where people can enjoy themselves, laugh, and celebrate talent without the pressure of a lengthy competition. **Creating Memorable Experiences:** The short and exciting format allows for quick, memorable experiences for both participants and the audience, making it a fun event for everyone involved.
8. **Celebrating Local Talent-Spotlighting Local Performers:** The show provides an opportunity to celebrate the local talent pool by allowing participants to showcase their

abilities in front of friends, family, and the community. Inspiring Future Performers: It may inspire others in the audience to discover and pursue their own talents, seeing firsthand the diversity and creativity within their community.

The **One Minute Talent Show** featured a diverse range of performances, with each participant given just one minute to showcase their skills. From musical performances and dance routines to magic tricks and comedy skits, the event brought out a variety of unique and exciting talents. The event was filled with enthusiasm from the audience, who cheered and clapped for each performer. The lively energy from the crowd created an engaging atmosphere, motivating the participants to give their best during their one-minute performances. Audience participation in voting for their favorite performances added an interactive layer to the event.
