BHUJBAL KNOWLEDGE CITY
Mumbai Educational Trust

MET's Institute of Engineering, Nashik

Department of Engineering Sciences and Mathematics

Name of the program: Expert Lecture:" Financial Awareness Expert Session"

Date: 14/10/2026	**Time:** 11.00 to 1.00 pm
Day: Wednesday	**Venue:** 011 Classroom IOE

Activity Coordinator: Prof.Archana Shirsat & Prof.Jyotsna Gore

Resource Person: Mrs. Anuya Samrudha Deshpande

No. of Participants: 70

Objectives of Session:-

1. To create awareness among students about the importance of financial literacy in everyday life.
2. To develop skills in personal financial planning, budgeting, and expense management.
3. To explain the importance of saving money and developing healthy financial habits from an early age.
4. To familiarize students with banking services, digital payments, and online financial transactions.
5. To introduce the basic concepts of investment, interest, inflation, and financial planning.
6. To educate students about cyber fraud, phishing, UPI scams, and other financial risks.
7. To encourage students to make informed financial decisions and develop responsible spending habits.

An expert lecture on **"Financial Awareness Expert Session"** was organized by **Department of Engineering Sciences and Mathematics, METs Institute of Engineering Bhujbal knowledge city Nashik** for First Year Engineering students to create awareness about the importance of financial literacy and responsible money management. The session aimed to equip students with essential financial knowledge required for making informed decisions in their personal and professional lives.

Mrs. Anuya Deshpande highlighted the importance of financial planning, budgeting, saving, banking services, digital transactions, and responsible spending. The session also introduced students to the basics of investment, financial security, and the precautions necessary to avoid online financial fraud.

During the session, the expert explained various aspects of financial awareness with practical examples relevant to students' daily lives. The discussion focused on the importance of distinguishing between needs and wants, preparing a monthly budget, tracking expenses, and setting financial goals.

Students were introduced to different saving methods and basic banking services. The expert also discussed the significance of digital financial literacy, including the safe use of UPI, mobile banking, and online payment applications. Special emphasis was placed on protecting personal banking information, never sharing OTPs or PINs, and identifying suspicious links and fraudulent calls.

The session further provided an introduction to investment awareness, the power of compounding, inflation, and the importance of starting financial planning early. Students were encouraged to develop disciplined financial habits and exercise caution before making

financial commitments. An expert lecture on **"Financial Awareness Expert Session"** was organized by **Prof. Archana Shirsat** under the guidance of **FE Coordinator Dr. Vinod Khairnar** for First Year Engineering students at MET's Institute of Engineering, Bhujbal Knowledge City, Adgaon, Nashik. The session aimed to create awareness about financial literacy, budgeting, saving, banking services, digital payments, investment basics, and online financial security. It encouraged students to develop responsible money-management habits and make informed financial decisions from an early age.

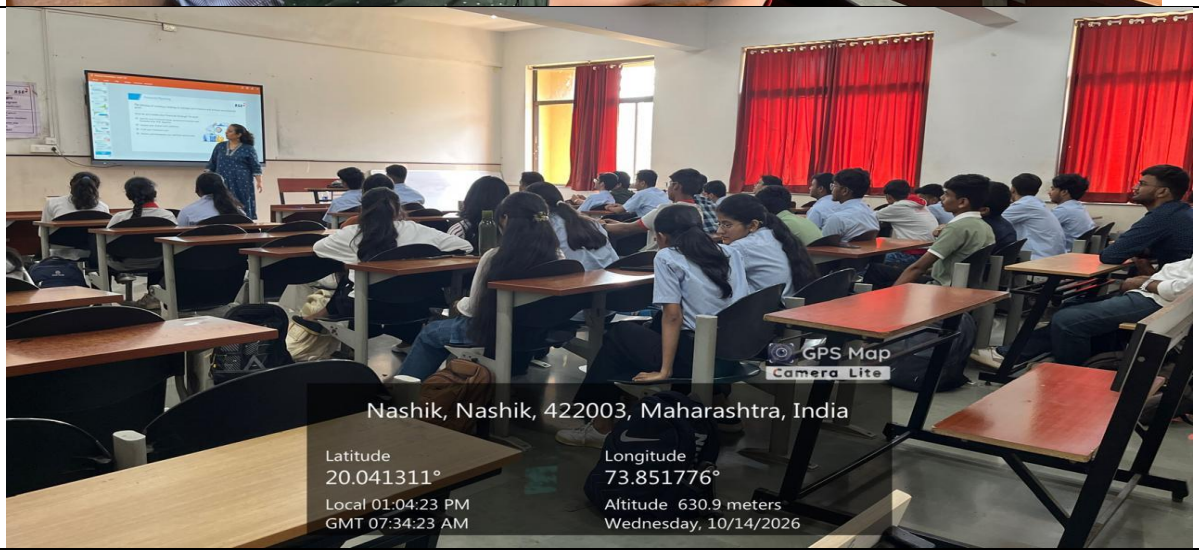

Outcomes of the Session

The expert lecture helped students understand the importance of financial literacy and its practical application in daily life. The students gained awareness of budgeting, saving, banking facilities, digital payment safety, and basic investment concepts. They also understood the importance of avoiding unnecessary expenses, protecting personal financial information, and making informed financial decisions.

Conclusion

The "Financial Awareness Expert Session" was a valuable learning experience for First Year Engineering students. It emphasized that financial literacy is an essential life skill that contributes to financial independence, security, and responsible decision-making. The session encouraged students to adopt effective money-management practices and develop a financially responsible approach from the beginning of their academic journey.
