"Cyber Laws and Use of Social Media"

Organized by Department of Information Technology

1st April, 2025

Event Summary

The department of Information Technology has organized Audit course session on Tuesday, 1st April, 2025. This session was an excellent opportunity for students to assess their career goals, taking ownership of actions, and growing as a person. Dr. Tanmay S. Dixit discussed the points related to cyber threats happening around them and to help them stay secure in the daily use of Cyberspace. Students gained the understanding and awareness of Cyber laws which are focusing on protecting the privacy of users from organizations and other users. Dr. Tanmay shared many examples of cybercrimes that are happened with people and some live examples of social media by mentioning respective cyber laws.

The session addressed course outcomes 1 to 4 and program outcomes 1 to 10 and 12.
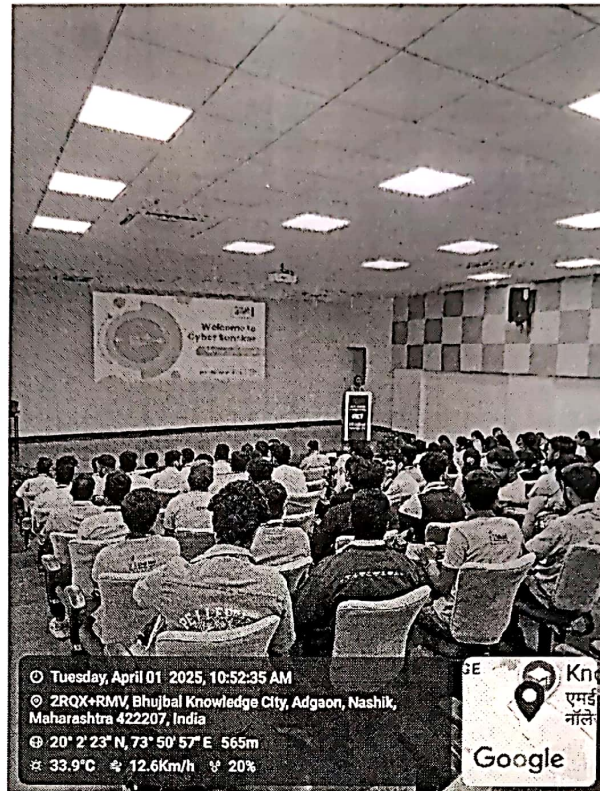

**Topic:** Cyber Laws and Use of Social Media

Target Audience: BEIT students

Total No. of students: 64

Resource Person: Dr. Tanmay S. Dixit (Cyber Expert and Consultant, Nashik)

**Audit Course Coordinator:** Dr. Kirti A. Patil

Ms. Aakanksha Mundake introducing the resource person

Dr. Namita Kale Felicitating Dr. Tanmay Dixit

(Tick the most appropriate choices in the following as per your opinion)

1. In your opinion, which of the following CO/CO's is addressed in today's session?
    ☑ **CO1. Understand the importance of IT Act.**
    ☑ **CO2. Understand the significance of cyber laws and its practices.**
    CO3. Identify and Analyze software vulnerabilities and security solutions to reduce the risk of exploitation.
    ☑ **CO4. To study various privacy and security concerns of Online social media.**
    Any Other (Pl Specify)

    _____

    _____

2. In your opinion, which of the following PO/PO's is addressed in today's session?
    ☑ 1. Engineering knowledge   ☑ 2. Problem Analysis, Identify
    ☑ 3. Design/development of solutions   ☑ 4. Conduct investigations of complex Problems
    ☑ 5. Modern tool usage   ☑ 6. The engineer and society
    ☑ 7. Environment and sustainability   ☑ 8. Ethics
    ☑ 9. Individual and team work   ☑ 10. Communication
    11. Project management and finance   ☑ 12. Life-long learning

3. In your opinion, which of the following PSO/PSO's is addressed in today's session?
    ☑ **PSO 1:** To apply knowledge acquired in various domains for analysing real world problems.
    ☑ **PSO 2:** To practice logic development and programming skills using open-source computational tools for design and development of IT solutions.
    PSO 3: To inculcate professional ethics, team work, oral and written communication in lifelong learning.

Thanks for your sincere feedback, which will help us to improve the system.
