“Leadership and Personality Development”

Organized by Department of Information Technology

10th April, 2026

Event Summary

The department of Information Technology has organized Audit course session on Friday, 10th April, 2026. This session was an excellent opportunity for students to assess their career goals, taking ownership of actions, and growing as a person. Mr. Dattatray Aher explored practical strategies for personality enhancement, including self-awareness, positive thinking, emotional intelligence, and continuous learning. Students were encouraged to reflect on their strengths and areas for improvement, and to adopt habits that foster personal growth and professional excellence. The overall takeaway was that leadership and personality development go hand in hand — strong leaders are shaped by well-developed personalities, and personal growth is the foundation for effective leadership.

The session addressed Course outcomes 1 to 4 and Program outcomes 1 to 12.
