## 28th February, 2025

## <u>Event Summary</u>

The department of Information Technology has organized Audit course session on Friday, 28th February, 2025. This session was an excellent opportunity for students to assess their career goals, taking ownership of actions, and growing as a person. Dr. Mohini R. Gurav discussed the points to bridge the gap between academic learning and corporate expectations and provided invaluable insights for students on positive attitude and work ethic, which can help students succeed in their personal and professional life. Students actively participated and enjoyed the activities such as identifying the strong and weak points among themselves and their friends, forming characters and letters from balloon queue, building bridges etc. These activities helped students to identify their strengths and weakness, leadership qualities and interview skills.

The session addressed Course outcomes 1 to 4 and Program outcomes 1 to 12.
