MET's IOE Department of Information Technology Hosted State-Level Student Fest "MET IGNITE-17"

During Engineers week on September 15th and 16th, 2017, the IT department Student Association UNITY held a two-day state-level student fest, "MET IGNITE-17," organized by the MET's IOE Department of Information Technology.

The event included both technical and non-technical events for the students to participate in. Technical events such as Placement Practices, Industrial Building, Techno Panther, and Rev-reel were conducted, while non-technical events such as Best Friend Forever, Selfie with Someone, Win it in a Minute, and Ball out were held.

Around 750 students from all over Maharashtra participated in the event. The Placement Practices event was sponsored by Oxitech Solutions, and the company representatives successfully executed the entire event. The fest was sponsored by Computer Society of India, CDAC, Oxitech Solutions, Spectrum Academy, Autonetics, Sai Tours and Travels, Burger Wada, Gurudatta Pavbhaji, V3 Solutions, Raspi Invent & Innova Solutions, and Finnovation Tech Solutions Pvt. Ltd.

Eminent judges were invited to evaluate the respective events, and prizes worth Rs. 75,000/- were awarded to the winners. The organizing committee for the fest was comprised of Prof. Namita R. Kale as Convener, Prof. Reshma C. Sonawane as Event Organizer, Prof. Kishor M. Mahale as UNITY coordinator, Mr. Agraj Aher & Mr. Dev Desai as Student Coordinators, and all the department staff as committee members and Heads for the different events.

The aim of the fest was to foster an environment of healthy competition and learning for students. It also served as a platform to showcase their skills and talent. The technical events tested the students' knowledge in the field of information technology and the non-technical events promoted teamwork and creativity. The fest was a huge success, and the participants thoroughly enjoyed themselves. The event also served as an opportunity for the students to interact with industry experts and gain insights into the corporate world. The department staff and student coordinators worked tirelessly to ensure that the event went smoothly. Overall, MET IGNITE-17 was a memorable experience for all those involved, and it will be remembered for years to come.
