Organized by Department of Information Technology

**30<sup>th</sup> September, 2025**

### **Event Summary**

The Department of Information Technology, MET's College of Engineering, Nashik, organized an expert session on “Startup Ecosystems” under the MoU initiative on 30<sup>th</sup> September 2025.

The session was conducted by Mrs. Priyanka Yogesh Shirsath, Joint Director, Softcrowd Technologies, Nashik, and a proud alumna of the Department of IT, MET's IOE. She shared her valuable insights and experiences on the growing importance of startups, the role of innovation, and the factors contributing to the success of entrepreneurial ventures.

During the session, Mrs. Shirsath emphasized the significance of research before developing solutions and encouraged students to explore journals, newspapers, and research papers for validating ideas. She explained the key components of a startup ecosystem, including mentorship, funding, networking, and innovation culture, while also highlighting the challenges and opportunities faced by aspiring entrepreneurs.

The session was highly interactive, motivating, and impactful, leaving students inspired to think creatively, embrace innovation, and explore entrepreneurial ventures as a career path.

Outcome:

Students gained an in-depth understanding of startup ecosystems, the importance of research-driven innovation, and how to approach entrepreneurship with confidence and preparation. The session addressed Course outcomes 1 to 3 and Program outcomes 1 to 12.

**Topic:** Startup Ecosystems

**Target Audience:** TEIT students

**Total No. of students:** 72

**Resource Person:** Mrs. Priyanka Vijay Shirsath, Joint Director, Softcrowd Technologies,  
Nashik.

**Audit Course Coordinator:** Dr. Kirti A. Patil

(Tick the most appropriate choices in the following as per your opinion)

1. In your opinion, which of the following CO/CO's is addressed in today's session?

CO1: Identify Startup opportunities

CO2: Explain legal and other requirements for new ventures

CO3: Analyze financial Issues of startups

Any Other (Pl Specify)

2. In your opinion, which of the following PO/PO's is addressed in today's session?

1. Engineering knowledge

3. Design/development of solutions

5. Modern tool usage

7. Environment and sustainability

9. Individual and team work

11. Project management and finance

2. Problem Analysis, Identify

4. Conduct investigations of complex Problems

6. The engineer and society

8. Ethics

10. Communication and team work

12. Life-long learning

3. In your opinion, which of the following PSO/PSO's is addressed in today's session?

PSO 1: To apply knowledge acquired in various domains for analysing real world problems.

PSO 2: To practice logic development and programming skills using open-source computational tools for design and development of IT solutions.

PSO 3: To inculcate professional ethics, team work, oral and written communication in lifelong learning.

Thanks for your sincere feedback, which will help us to improve the system.
